

INLAND GREENS HOMEOWNERS ASSOCIATION

**“Please Beware of Dog(s)” Sign Information and Request**

**Per the Rules and Regulations; # 15 Signs:** If necessary, an IGHOA pre-approved “Beware of Dog” sign is allowed with written permission. Therefore, the homeowner should request in writing to the Property Mgm’t Company the right to have the sign based on a “necessity” (ie. dog(s) currently reside in villa). This request will be kept on file. Homeowner will be responsible for purchasing and installing the pre-approved sign on the gate very close to the latch. Very short wood screws must be used to minimize damage to the wooden gate. The sign must be removed when no longer applicable.

**Source of sign:** American Sign Shop, 112 N. Cardinal Dr., Ste. 108  
(910) 799-1111; [americansignwilm@yahoo.com](mailto:americansignwilm@yahoo.com)

**Text of sign:** PLEASE BEWARE OF DOG(S)

**Specs:** Reference Job/Invoice #: 88-10311 on 3/3/2008 for Inland Greens HOA

Sign is aluminum (040) with 2 holes at top corners for installation; beige or slate grey colors only; 3” x 8” in size; 3/4” white block capital letters/text; and cost approximately \$5.00.

**REQUEST FORM**

I have read the above information and would like to request permission to install the above pre-approved sign on my villa’s gate. I understand that it must meet the above specifications, I must order and pay for it, and I must remove it when it is no longer applicable. Thanks.
